(i) Recurring charges for cable or video service.

(ii) Event-based charges for cable service or video service, including, but not limited to, pay-per-view and video-on-demand charges.

(iii) Rental of set top boxes and other cable service or video service equipment.

The allocation shall be based on the number of subscribers in the Village divided by the total number of subscribers in relation to the relevant regional or national compensation arrangement.

(viii) Compensation received by the holder that is derived from the operation of the holder's network to provide cable service or video service with respect to commissions that are received by the holder as compensation for promotion or exhibition of any products or services on the holder's network, such as a "home shopping" or similar channel, subject to subsection (ix).

(ix) In the case of a cable service or video service that is bundled or integrated functionally with other services, capabilities, or applications, the portion of the holder's revenue attributable to the other services, capabilities, or applications shall be included in the gross revenue unless the holder can reasonably identify the division or exclusion of the revenue from its books and records that are kept in the regular course of business.

(vii) Amounts paid by subscribers to "home shopping" or similar vendors for merchandise sold through any home shopping channel offered as part of the cable service or video service.

(3) Revenue of an affiliate of a holder shall be included in the calculation of gross revenues to the extent the treatment of the revenue as revenue of the affiliate rather than the holder has the effect of evading the payment of the fee permitted by 220 ILCS 5/21-801(b) which would otherwise be paid by the cable service or video service.

(f) Exemption. The fee hereby imposed does not apply to existing cable service or video service providers that have an existing franchise agreement with the Village in which a fee is paid.

(g) Credit for Other Payments. An incumbent cable operator that elects to terminate an existing agreement pursuant to 220 ILCS 5/21-301(c) with credit for prepaid franchise fees under that agreement may deduct the amount of such credit from the fees that operator owes under Section 7-9.5-2(b).

All payments made by an incumbent cable operator pursuant to the previous sentence may be credited against the fees that that operator owes under Section 7-9.5-3(b).

accounting principles.

7-9.5-5: No Impact on Other Taxes Due from Holder.

Nothing contained in this Chapter shall be construed to exempt a holder from any tax that is or may later be imposed by the Village, including any tax that is or may later be required to be paid by or through the holder with respect to cable service or video service. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the Village's simplified municipal telecommunications tax or any other tax as it applies to any telephone service provided by the holder. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the local unit of government's 911 or E911 fees, taxes or charges.

7-9.5-6 : Audits of Cable/Video Service Provider.

(a) Audit Requirement. The Village will notify the holder of the requirements it imposes on other cable service or video service providers to submit to an audit of its books and records. The holder shall comply with the same requirements the Village imposes on other cable service or video service providers in its jurisdiction to audit the holder's books and records and to recompute any amounts determined to be payable under the requirements of the Village. If all local franchises between the Village and cable operator terminate, the audit requirements shall be those adopted by the Village pursuant to the Local Government Taxpayers' Bill of Rights Act, 50 ILCS 45/1 et seq. No acceptance of amounts remitted should be construed as an accord that the amounts are correct.

(b) Additional Payments. Any additional amount due after an audit shall be paid within thirty (30) days after the Village's submission of an invoice for the sum.

7-9.5-7: Late Fees/Payments.

All fees due and payments which are past due shall be governed by ordinances adopted by this Village pursuant to the Local Government Taxpayers' Bill of Rights Act, 50 ILCS 45/1 et seq.

SECTION 3:

Severability. If any provision of this Ordinance, or the application of any provision of this Ordinance, is held unconstitutional or otherwise invalid, such occurrence shall not affect other provisions of this Ordinance, or their application, that can be given effect without the unconstitutional or invalid provision or its application.
