

Village Entertainment Guide Enclosed In Prairie

ORLAND PARK, IL – The Village of Orland Park’s 2010 Entertainment Guide will be enclosed in the June 3rd edition of the “Orland Park Prairie.”

Previously mailed to all addresses in the village, the 24-page color guide includes details about village sponsored programs and activities in the coming months.

“We decided to partner with the ‘Orland Park Prairie’ because of the savings involved,” said Orland Park Mayor Dan McLaughlin.

Guide highlights include events at the village’s Centennial Park Aquatic Center, the Open Lands Garden Walk, Independence Day Celebration, Orland Park’s July 7th Chicago White Sox Grand Slam Event, Police Department sponsored activities and the Taste of Orland Park.

“Orland Park’s summer calendar is full of wonderful events for the entire family,” said Trustee Kathleen Fenton, chair of the village’s Special Events and Outreach Committee. “The event guide is something that families will want to hold onto for the entire summer,” she added.

“We hope everyone is able to be a part of all that’s happening in the community this summer,” McLaughlin said, adding “The Village of Orland Park is offering affordable events close to home with something for everyone.”
