Village of Orland Park to Host “Senior Autumn Coffee”

Medicare and Healthy Living for Seniors Presentations Planned

ORLAND PARK, ILLINOIS – Orland Park area seniors are invited to the Village of Orland Park Office of Special Services “Senior Autumn Coffee” on Tuesday, September 28, 2010. The free event, held at the Orland Park Civic Center, will feature a licensed Medicare representative who will review the “Medicare Made Clear Show Me Guide” and answer general Medicare questions.

Village of Orland Park Fitness Manager Deborah Graham-Geghen will discuss the importance of healthy living and provide information about the many senior programs and events that the village offers. The coffee will be held from 10:00 a.m. until 12:00 noon.

“We invite all seniors to come up and have a cup of coffee and some refreshments, have their Medicare questions answered and learn about the many great programs available for seniors,” said Orland Park Village Clerk David Maher. “Our Office of Special Services offers free emergency medical identification bracelets, the Rapid Recovery Program, passports and free notary service,” Maher added.

Reservations are not required. This free event is open to all area seniors. The Orland Park Civic Center is located at 14750 South Ravinia Avenue. Further information is available by calling the Orland Park Office of Special Services at 708/403-6188.
