

## **Lane Closures Announced for 143rd and LaGrange**

The Village of Orland Park Public Works Department has announced lane closures for 143rd Street and LaGrange Road for the intersection's water main project.

On Friday, April 30th, the southbound outside lane of LaGrange Road will be closed from 143rd Street to 500 feet south of 143rd Street from 9:00 a.m. to 3:00 p.m.

This lane closure may be altered or cancelled because of weather.

The water main installation on 143rd Street is scheduled for completion in late June. Utility work to bury overhead service lines along LaGrange Road will begin later in the fall of 2010.

The Village of Orland Park, in conjunction with the Illinois Department of Transportation, has initiated a multi-year reconstruction project to rebuild and widen LaGrange Road from 131<sup>st</sup> to 179<sup>th</sup> Street. The project will also include a new Metra bridge and a pedestrian overpass over LaGrange Road. As dates and details become available, further information can be found on the village's website at [www.orland-park.il.us](http://www.orland-park.il.us).
