

# 88th Avenue Closed to Through Traffic from 144th Place to Golfview Drive

Beginning July 9, 2015, 88th Avenue will be closed to through traffic from 144th Place to Golfview Drive.

This temporary road closure is expected to last two weeks depending on weather and ground conditions. The construction is part of the Maycliff Stormwater Improvement Project to reduce flooding in the subdivision. The village's contractor is constructing large storm water pipes in the road pavement of 88th Avenue. This requires that the street be closed while the contractor installs new pipes and structures.

Detours will be available via 87th Avenue and Golfview Drive to access into and through the subdivision. Questions may be directed to the Public Works Department at 708/403-6350.
