Village of Orland Park Sportsplex Offers Colors Competition for Members

Village of Orland Park Sportsplex members are invited to compete in the facility's COLORS Team Competition. This eight week team fitness challenge enables members to earn points for every completed workout, with the winning team receiving a free month membership.

The competition will be held Feb. 1 to March 31. Participants can create their own teams or register as individuals and be assigned to a team. Teams will consist of five to eight members, depending on how many participate.

The COLORS Competition is designed to challenge and encourage teams to work out more during the winter months. Individuals will earn one point a day for every workout completed in the Sportsplex Fitness Center. Participants can only earn a maximum of one point a day.

Specialty classes and other competitions throughout the eight weeks will be available to earn additional points. Five bonus points can be earned for each activity.

The registration deadline is Jan. 15 and is only open to Sportsplex members. The cost to participate is \$15 and all participants will receive a T-shirt.

For more information, contact the Village of Orland Park Sportsplex at 708/645-7529.
