- 7-6-3: Application**
- 7-6-4: Restrictions**
- 7-6-5: Inspections**
- 7-6-6: Term and Renewal of Automatic Amusement Device Operators License**
- 7-6-7: Seizure and Destruction of Devices Used for Gambling**
- 7-6-8: Revocation of License**
- 7-6-9: Transfer of License**
- 7-6-10: Penalties**

**7-6-1: DEFINITION:**

The term "automatic amusement device" shall mean any machine or device which, upon the insertion of a coin, slug, token, plate or disc, may be operated by the public generally for use primarily as a game, entertainment or amusement, whether or not registering a score. It shall include, but not be limited to, such devices as marble machines, pinball machines, billiard, bagatelle, pigeon-hole or pool tables, video games, games played with any number of balls, spheres or electronically operated devices that are actuated by said balls or spheres or electrical contacts, electrical impulse and/or cathode tube games, and all games, operations or transactions similar thereto under whatever name by which they may be indicated or identified. However, said term shall not include juke boxes and other music box devices where the sole purpose of the device is to produce or reproduce any vocal or instrumental sounds which are controlled by the deposit of a coin or token. "Automatic Amusement Device" does not include a video gaming terminal as defined in the Illinois Video Gaming Act (230 ILCS 40/5) and Chapter 18, Title 7 of this Code. (Ord. 4529, 12-7-09)

Nothing in this Chapter shall in any way be construed to authorize, license or permit movie and video booths or stands or any gambling machine or device whatsoever, including, but not limited to, a bingo device, a card game device, or any class of mechanism that has been judicially determined to be a gambling device, or in any way prohibited by law, provided, however, that devices or mechanisms used for games licensed by the State of Illinois and in compliance with the Village Codes and Ordinances shall not be considered gambling.

Notwithstanding contrary provisions of this paragraph, video gaming devices licensed by the State of Illinois shall be considered gambling and are prohibited as provided in Chapter 18 of this Title 7. (Ord. 4529, 12-7-09)

**7-6-2 LICENSE; FEES; EMBLEM:**

- (A) No person, firm, corporation, association or entity shall, within the Village of Orland Park, display for public patronage or keep for operation by patrons any automatic amusement device(s), as defined herein without first having obtained an automatic amusement device operators license and the appropriate individual automatic amusement device licenses as set forth in subsections 2(B) and 2(C) below.

(8/10)

## Title 7 Chapter 6 Amusement Devices

- (B) For the issuance of no more than twenty (20) automatic amusement device operators licenses at the fee of \$100.00 for persons, firms, corporations or associations displaying for public patronage or keeping for operation by patrons any automatic amusement devices. As part of the \$100.00 annual fee required under this subsection, each licensee shall also receive two (2) of the licenses required under subsection 2(C) below.
- (C) In addition to the license fee required by subsection 2(B), each automatic amusement device shall be separately licensed at an annual fee of \$50.00. Not more than one device shall be operated under one license, and the applicant or licensee shall be required to secure a license for each and every automatic amusement device displayed or operated by the applicant or licensee. When any license required under this subsection 2(C) is issued after the first day of January in any year, the license fee so provided for in this subsection shall be prorated over the remainder of the year by dividing the annual license fee required hereunder by twelve, which gives the amount of the license fee per month, and deducting for the months already passed; provided, however, that any license issued for a portion of a month shall be considered a full month and included in the months remaining of the then calendar year; and provided further that the applicant or licensee shall pay in full and in advance the prorated amount for each month or parts of a month remaining in the calendar year.
- (D) No refund shall be paid at any time to any licensee for fees paid for licenses provided for in subsection 2(C) above shall be evidenced by a fee emblem which shall be affixed prominently and conspicuously to each device for which it is issued. Each such emblem shall be issued only for a particular device and may not be transferred or used in any way whatsoever as the required emblem of any other device whether or not such other device is a new or replacement device for the original device. Each and every device must have such an emblem issued for its particular use after the payment of the required fee. If, however, the licensee wishes to transfer a license which is required under subsection 2(C) above to a replacement device for the original device, the licensee may transfer the license to a replacement device if all of the following conditions are met:
- (a) The original device is permanently removed from display for public patronage and is made unavailable for operation by patrons; and
  - (b) The fee emblem is taken off the original device and returned to the Village of Orland Park; and
  - (c) A transfer fee of \$50.00 is paid to the Village of Orland Park.

Once all of the above requirements have been met, the Village of Orland Park will provide the licensee with a new replacement fee emblem which shall be immediately affixed prominently and conspicuously to the replacement device.

- (E) No license shall be issued to any applicant unless he or she is over twenty-one (21) years of age.
- (F) All new automatic amusement device operators licenses must be approved by the Village Board of Trustees.

(Ord. 4580, 8-2-10)

### 7-6-4: RESTRICTIONS:

- (A) No person, firm, corporation or association shall permit the playing of an automatic amusement device within 100 feet of any parcel of real estate or tract of land on which there is located a church, school, or park.
- (B) No license issued hereunder shall permit the operation of any automatic amusement device at any place or in any manner which will disturb the peace or quiet of persons outside the licensed premises. It shall be unlawful for a licensee to allow a degree of noise to develop which would cause a disturbance to the adjacent or surrounding uses such that normal use of said adjacent or surrounding uses would be damaged or unreasonably disturbed.
- (C) No licensee shall operate an establishment wherein automatic amusement devices are located in a manner which will encourage truancy. Each licensee shall monitor its devices to discourage truancy, and shall prohibit operation of the devices by persons under eighteen (18) years of age, unless that person is accompanied by an adult at least twenty-one (21) years of age who is responsible for not more than six (6) such minors.
- (D) No licensee shall own or operate more than one establishment within the Village of Orland Park wherein automatic amusement devices are located. The Village of Orland Park has adopted the American Amusement Machine Association Parental Advisory System rating system. All games rated "green" shall be permitted in the Village when properly licensed. All games rated "yellow" shall be permitted in the Village when properly licensed but the Village Board shall maintain the right to revoke. No games rated "red" shall be permitted. Games which are not rated shall be permitted only after specific Village Board approval and licensing.
- (E) No automatic amusement device shall be placed in any required exit path of travel.
- (F) All licensees shall:
- (a) Keep their premises clean and sanitary;
  - (b) Provide waste receptacles;
  - (c) Insure that all sidewalks and/or walkways outside the premises are clean and open to pedestrian traffic; and
  - (d) Maintain and keep all automatic amusement devices in good repair and operating condition.

(8/10)

## Title 7 Chapter 6 Amusement Devices

- (G) No license issued hereunder shall permit the operation of any automatic amusement device unless the premises where the automatic amusement devices are located has a distinct and primary business use other than the offering of automatic amusement devices.

(Ord. 4580, 8-2-10)

### **7-6-5: INSPECTIONS:**

Any person, firm, corporation or association who places an application for an automatic amusement device operators license, or renewal thereof, agrees to allow the Development Services Department to inspect the premises to ascertain whether or not the equipment is in compliance with the Village Electrical Code.

Authorized representatives of the Orland Park Police Department, including sworn peace officers and other individuals as the Chief of the Orland Park Police Department may designate from time to time, may, in the course of their inspections hereunder, also inspect for the presence of video gaming terminals prohibited under Chapter 18, Title 7 of this Code. (Ord. 4529, 12-8-09; Amd. Ord. 4580, 8-2-10)

### **7-6-6: TERM AND RENEWAL OF AUTOMATIC AMUSEMENT DEVICE OPERATORS LICENSE:**

Each automatic amusement device operators license required by this Chapter shall terminate on January 1 next following its issuance. No part of a license fee will be refunded if the license is revoked by the Village Manager.

Any licensee may renew his, her or its automatic amusement device operators license at the expiration thereof, provided he, she or it is then qualified to receive such a license and the premises for which such renewal license is sought are suitable for such purpose; and provided, further, that the renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the President and Board of Trustees from decreasing the number of licenses to be issued within its jurisdiction.

### **7-6-7: SEIZURE AND DESTRUCTION OF DEVICES USED FOR GAMBLING:**

If the Chief of Police shall have probable cause to believe any automatic amusement device is used as a gambling device, such device may be seized by the Police and impounded until a hearing is held as herein provided. A finding of guilty shall result in the destruction of such device by the Police Department. A finding of innocent shall result in the return of said device to the licensee.

### **7-6-8: REVOCATION OF LICENSE:**

Every automatic amusement device operator's license issued under this Chapter is subject to the Village's right, which is hereby expressly reserved, to revocation of same should the licensee directly or indirectly permit the operation of any automatic amusement device contrary to the provisions of this Chapter, any other Section of this Village Code or any Ordinance of the Village or the laws of the State of Illinois. Said license may be revoked by the Development Services Department after written notice to the licensee, which notice shall specify the code section, ordinance or law violations with which the licensee is charged, if after a hearing the licensee is found to be guilty of such violations. The licensee shall be given notice of the hearing ten (10) days in advance of the hearing. At such hearing the licensee and his, her or its attorney may present and submit evidence and witnesses in his, her or its defense. (Ord. 4580, 8-2-10)

(8/10)

## **Title 7 Chapter 6 Amusement Devices**

### **7-6-9: TRANSFER OF LICENSE:**

An automatic amusement device operators license shall be purely a personal privilege, good for not to exceed one year after issuance or on January 1 next following its issuance, whichever is first, unless sooner revoked as in this Chapter provided, and shall not constitute property, nor shall it be subject to attachment, garnishment, or execution, nor shall it be alienable or transferable, voluntarily or involuntarily, or subject to being encumbered or hypothecated. Such license shall not descend by the laws of testate or intestate devolution but shall cease upon the death of the licensee.

Nothing contained in this Chapter shall create any vested or property right in any automatic amusement device operators license whatsoever, nor shall it limit or restrict the right of the Village of Orland Park to at any time amend or repeal this Chapter.

### **7-6-10: PENALTIES:**

Any person, firm, corporation, association, or entity violating any of the provisions of this Chapter shall be fined not less than twenty-five (\$25.00) dollars or more than seven hundred and fifty (\$750.00) dollars for each offense; and each day such violation shall continue shall be regarded as a separate offense. In addition, any violation hereof may result in having the violator's business license subject to suspension or revocation.
