Land Development	Review Fees		Article 1 Section 1-104 LDC			
	All applications for development approval submitted to the Village under these regulations shall be accompanied by the payment of a fee as determined by the Board of Trustees from time to time to defray the costs incurred by the Village in reviewing the application. In addition to the fees set by the Board, all applicants for development approval shall reimburse the Village for reasonable costs incurred as a result of the application's review by a legal, engineering or other special consultant, provided that the applicant is notified of the need to retain such special consultant and agrees to such retention. Payment of these fees shall be made prior to a final vote by the Board of Trustees on a given development application.
